“FREE TO A GOOD HOME”

We have a buyer who we have been working with for the past few weeks that has identified this location as their **number one choice** to move to. If you are thinking of selling, this buyer is just a phone call away. It costs you nothing to see if they will give you the **price you want**.

This is a **free service** and we can leave you with the buyers' details after inspecting your property.

To take advantage of this opportunity please call us direct on * or mobiles * to schedule an appointment. Our discussions will be kept in the strictest of confidence.

“*Not selling*” I hear you say; if you know of anyone in your neighbourhood who is considering selling please pass over our details so that we might be able to assist **two families** with their next move.

Thank for yours consideration,
